

**ECCLESIA OF LOVE
FOUNDATION**

— (A.K.A ECCLESIA AGAPE) —

THE ECCLESIA OF LOVE FOUNDATION

(ECCLESIA AGAPE)

NATURE / PRINCIPAL ACTIVITY OF THE ORGANIZATION

The Ecclesia of Love Foundation, also known as Ecclesia Agape, is a faith-based, non-governmental, and non-profit humanitarian organization dedicated to charitable works, empowerment, education, and community development.

The Foundation exists to promote human welfare and spiritual development through charity, capacity building, educational support, and social intervention initiatives inspired by the Christian values of love, compassion, integrity, and service.

The Principal Activities Of The Organization Include:

1. Humanitarian Relief and Social Welfare

- **Providing relief materials, food items, clothing, and other essential support to vulnerable individuals and communities.**
- **Assisting orphans, widows, prisoners, the elderly, internally displaced persons, and victims of disasters.**
- **Conducting outreach programs aimed at improving the quality of life of disadvantaged persons.**

2. Educational Advancement

- **Offering scholarships, bursaries, and educational assistance to indigent students.**
- **Promoting literacy and educational development through learning initiatives.**
- **Organizing vocational and professional training programs for youth and adults.**

3. Economic Empowerment

- *Supporting small businesses, artisans, entrepreneurs, and start-ups through grants, financial assistance, mentorship, and capacity-building programs.*
- *Encouraging self-reliance and sustainable economic development within communities.*

4. Faith-Based Community Development

- *Promoting moral and spiritual growth through Christian-centered programs and community engagement initiatives.*
- *Encouraging values of love, service, integrity, leadership, and social responsibility.*

In essence, the Ecclesia of Love Foundation serves as a bridge between faith and social action by expressing God's love through practical humanitarian service, empowerment, education, and sustainable community transformation.

VISION STATEMENT

To reflect the love of God through charitable works, empowerment, and education, building a society where compassion and opportunity thrive.

MISSION STATEMENT

To advance human welfare and spiritual growth by offering educational support, business empowerment, and charitable services that uplift individuals and communities.

AIMS AND OBJECTIVES

The Foundation is established to pursue the following objectives:

1. Charity and Humanitarian Support

- To provide relief materials, food supplies, clothing, medical assistance, and other essential items to the poor, needy, and disaster-affected individuals and communities.***
- To visit and support orphanages, hospitals, prisons, homes for the elderly, and other welfare institutions.***
- To undertake humanitarian interventions aimed at alleviating poverty and human suffering.***

2. Training and Education

- To organize seminars, workshops, conferences, webinars, leadership programmes, and vocational training for youth, women, and the general public.***
- To promote entrepreneurship, leadership development, life skills, and professional advancement.***
- To establish, support, and partner with educational institutions, literacy centres, research centres, and online learning platforms for human capacity development.***

3. Grants and Support to Small Businesses

- To provide financial aid, grants, loans, and other forms of support to small and medium enterprises (SMEs), artisans, entrepreneurs, and start-up businesses.***
- To mentor, coach, and guide beneficiaries in business management, innovation, financial literacy, and sustainability.***
- To encourage economic self-reliance and job creation within communities.***

4. Scholarships and Educational Assistance

- To offer scholarships, bursaries, sponsorships, and educational grants to indigent and less privileged students in primary, secondary, and tertiary institutions.***
- To provide educational materials and learning resources to deserving students.***
- To collaborate with government agencies, educational institutions, and private organizations to promote equal access to quality education.***

5. Partnership and Collaboration

- **To collaborate and partner with local and international organizations, churches, educational institutions, corporate bodies, donor agencies, foundations, and government institutions in achieving the charitable objectives of the Foundation.**
- **To mobilize resources and build strategic alliances for sustainable community development.**

6. Faith and Community Development

- **To promote moral, spiritual, and community development based on Christian principles of love, service, honesty, compassion, and integrity.**
- **To encourage peaceful coexistence, social harmony, and responsible citizenship.**
- **To support initiatives that foster community transformation and nation-building.**
